

Thursday 9 September

All times are CEST

	9.00	10.00	11.00	12.00	13.00	14.00	15.00	16.00	17.00	18.00	19.00	20.00
Channel 1				Euretina Session <i>Decision Making in Challenging Cases</i>	Euretina Session <i>AMD</i>		Euretina Session <i>Diabetic Retina</i>	Euretina Session <i>Uveitis/Endophthalmitis</i>	Live Studio: Panel Discussions			
Channel 2				Symposium <i>Management of Difficult Cases of Vitreoretinal Disease</i>	Symposium <i>International Society of Ocular Trauma ISOT</i>		Symposium <i>Evicr.net</i>	Symposium <i>Is it Worth Making Research & Publishing with OCT-A?</i>		Symposium <i>Remote Monitoring of Retinal Diseases in Times of COVID-19</i>		
Channel 3				Instructional Course <i>Surgery for Myopic Traction Maculopathy & Other Complications in High Myopia</i>	Instructional Course <i>Current Laser Management of Retinal Disorders</i>	Industry Sponsored Symposia	Instructional Course <i>Follow-Up & Surveillance in Uveal Melanoma Patients</i>	Instructional Course <i>AI in Retina: Clinical & Technical Consideration</i>		Instructional Course <i>Mastering the Surgical Management of PDR</i>		
Channel 4				Instructional Course <i>Vitreomacular Interface Diseases: From Bench to Bedside</i>	Instructional Course <i>Do's & Don'ts of Secondary IOL Placement</i>		Instructional Course <i>Central Serous Chorioretinopathy</i>	Instructional Course <i>Non-Responders in Neovascular AMD</i>		Instructional Course <i>Advanced Multimodal Imaging Rhegmatogenous Retinal Detachment</i>		
Channel 5				Prize Papers	Prize Papers		Prize Papers	Prize Papers		Prize Papers		

Friday 10 September

Channel 1	Live Studio: Panel Discussions	Euretina Session <i>Retinal Detachment Surgery: Less is More or More is Less?</i>		Euretina Session <i>Inherited Retinal Degenerations: Diagnosis & Counseling of IRDs</i>	Euretina Session <i>Inherited Retinal Degenerations: Therapeutic Perspectives for IRDs</i>		Euretina Session <i>EURETINA Guidelines for Management of Retinal Disease</i>	Euretina Session <i>RETINAWS</i>	Live Studio: Panel Discussions			
Channel 2	Symposium <i>Amsterdam Retina Debate</i>	Asia-Pacific Vitreo-Retina Society Symposium		Symposium <i>Groundbreaking Research on Choroid</i>	Symposium <i>Vitreo-Retinal Surgeon's Nightmares!</i>		Symposia <i>Foveal Development in Health & in Disease. Insights from Histology, OCT, OCT-A & Adaptive Optics</i>	Symposia <i>Paediatric Retina Challenges</i>	Symposia <i>The EuroVeRsion Case Contest</i>			
Channel 3	Instructional Course <i>Practical Management of PDR</i>	Instructional Course <i>Developing a Virtual Clinic Pathway for Diabetic Eye Disease</i>	Industry Sponsored Symposia	Instructional Course <i>All Roads Leading to Rome? Vitreoretinal Surgical Strategies</i>	Instructional Course <i>Unmasking the Masquerades</i>		Instructional Course <i>Best Practice & Modern Approaches to the Management of Macular Hemorrhage</i>	Instructional Course <i>Polypoidal Choroidal Vasculopathy: Diagnosis & Treatment</i>	Instructional Course <i>Pediatric Retinal Diseases</i>			
Channel 4	Instructional Course <i>Which Vitreous Substitute Shall I Use: Intraocular Tamponade in 21st Century!</i>	Instructional Course <i>OCT Angiography: How To Understand What We See</i>		Instructional Course <i>Cataract Surgery in Patients with Macular Disease</i>	Instructional Course <i>The Impact of Anti-VEGF Injection in the Treatment of ROP</i>		Instructional Course <i>Uveitis Pearls for the Retina Specialist</i>	Instructional Course <i>Giant Retinal Tear Detachments</i>	Instructional Course <i>Management of Small Pigment Choroidal Tumours</i>			
Channel 5	Prize Papers	Prize Papers		Prize Papers	Prize Papers		Prize Papers	Prize Papers	Prize Papers			

Saturday 11 September

Channel 1	Live Studio: Panel Discussions	Euretina Session <i>Tumours</i>		Euretina Session <i>Pathological Myopia</i>	Euretina Session <i>Late Breakings</i>		Keynote Session <i>Kreissig Lecture</i> Ogugua Okonkwo <i>Gisbert Richard Lecture</i> Heinrich Heimann	Euretina Session <i>Retinal Vascular Diseases</i>	Live Studio: Panel Discussions				
Channel 2	Symposium <i>New Approaches to The Prevention & Treatment of Myopia: Update 2021</i>	Symposium <i>Complications in Vitreoretinal Surgery</i>		Symposium <i>Pachychoroid Spectrum: Diagnosis & Evidence Based Therapeutic Options</i>	Symposium <i>Standardisation & Definition of Qualitative & Quantitative OCT-A parameters</i>			Symposium <i>From the AI-Lab to Clinical Practice: Clearing the Hurdles</i>	ASRS Symposium				
Channel 3	Instructional Course <i>Use & Safety of Oil & Liquid Devices in Vitreoretinal Surgery</i>	Instructional Course <i>ANZRS: Management of Infrequent Cases of Vitreoretinal?</i>	Industry Sponsored Symposia	Instructional Course <i>Understanding RVO with Cutting Edge Science & Technology</i>	Instructional Course <i>Geographic Atrophy Secondary to AMD: Diagnosis, Classification & Management</i>			Instructional Course <i>Evidence-Based Treatment of Retinal Disease</i>	Instructional Course <i>Uveitis for the Retina Specialist: Bridging the Gap</i>				
Channel 4	Instructional Course <i>Innovative Technologies & State of the Art on Retinal Imaging</i>	Instructional Course <i>Pearls & Pitfalls in Vitrectomy Surgery</i>		Instructional Course <i>Photoreceptor Imaging by Confocal Scanning Laser Ophthalmoscopy</i>	Instructional Course <i>Prevention & Management of Endophthalmitis in 2021</i>			Instructional Course <i>Medical Retina Mystery Cases</i>	Instructional Course <i>Macular Hole Surgery for Large Macular Holes</i>				
Channel 5	YOURS Day Symposium 1	YOURS Day Symposium 2		YOURS Day Science Slam	YOURS Day Mystery Cases 1			YOURS Day Ophthalmologica Lecture	YOURS Day Mystery Cases 2				

Sunday 12 September

Channel 1	Euretina Session <i>Better Patient Counseling: Using Epidemiological Evidence</i>	Euretina Session <i>Retinal Imaging, Artificial Intelligence, Big Data</i>		Euretina Session <i>Research Session</i>	Live Studio: Panel Discussions							
Channel 2	Symposium <i>Tackling Subretinal Hemorrhage: What is New?</i>	ESASO Symposium <i>Focus on Dystrophies, Clinical Cases & Discussion</i>		Symposium <i>Update in the Role of Internal Limiting Membrane (ILM) Peeling in Vitreoretinal Diseases</i>	Symposium <i>Silicone Oil & Other Surgical Medical Devices Facing the New Regulation Of The EU</i>							
Channel 3	Instructional Course <i>PVR, Surgical Management & Improved Techniques</i>	Instructional Course <i>Management of the Macula in Rhegmatogenous Retinal Detachment Repair</i>	Industry Sponsored Symposia	Instructional Course <i>New Frontiers & Perspectives in DME</i>	Instructional Course <i>Improve your Surgical Outcome Using New Insights in PVR</i>							
Channel 4	Instructional Course <i>Artificial Intelligence in the Real World</i>	Instructional Course <i>Real Life Data: An Invaluable Tool to Build our Guidelines to Treat DME?</i>		Instructional Course <i>Achieving Optimal Cataract Surgery Outcomes in Eyes with Retinal Disease or Uveitis</i>								
Channel 5	Prize Papers	Prize Papers		Prize Papers	Prize Papers							

This is a preliminary programme & is subject to change
All times are CEST
